Company Overview

GPI (Giza Power Industry), a subsidiary of Electro Cable Egypt (ECE), is a leading provider of integrated power and infrastructure solutions, specializing in cables, smart meters, energy-efficient lighting, and turnkey EPC projects.

With **40+** years of experience, GPI serves **400+** clients across Europe, the Middle East, and Africa, backed by **ISO and BASEC** certifications for quality and sustainability.

The company combines innovation, backward integration, and a customer-centric approach to deliver high-efficiency products and projects, aligning with its mission to empower a **greener**, more sustainable future.

Program Features & Objectives

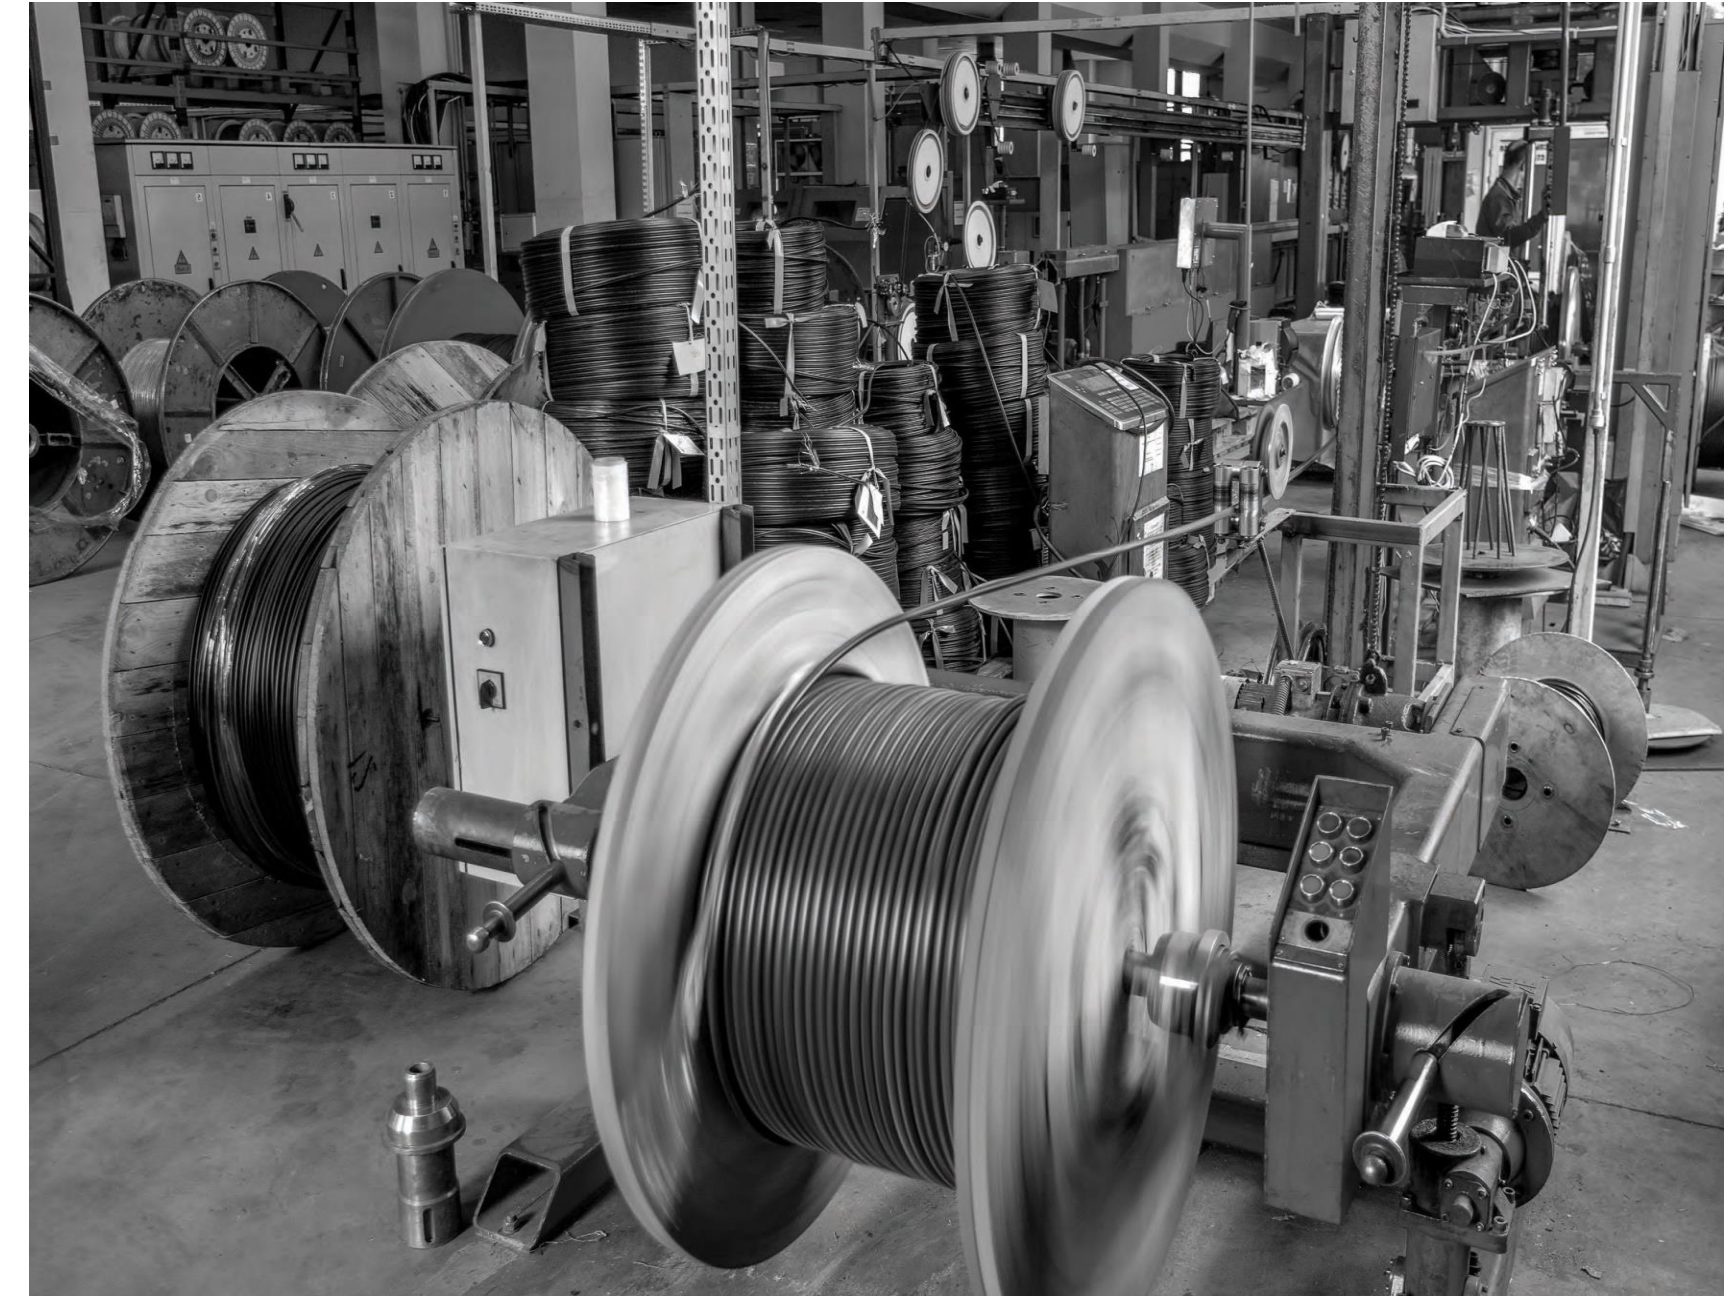

Features

The Giza Power Industry (GPI) Internship Program is a 6-weeks, hands-on initiative tailored for final-year engineering students and pre-graduates specializing in disciplines aligned with cable manufacturing and power infrastructure.

Key Objectives

Provide exposure to the cable production lifecycle.

- Build practical knowledge in electrical, mechanical, and industrial processes.
- Develop skills in quality control, manufacturing technology, and safety standards.
- Prepare interns for potential full-time roles in manufacturing and process.
- Gain mentorship from industry experts.
- Receive a certification upon completion.

Who Should Apply

We welcome applications from students pursuing degrees in:

- Electrical/Mechanical Engineering
- Industrial/Manufacturing Engineering

Ideal Candidates Will Have:

- Passion for sustainable energy solutions
- Basic understanding of manufacturing processes

Eligibility & Selection

- Final-year students or pre-graduates working on their graduation project.
- Demonstrated interest in cable manufacturing or industrial production.
- Strong academic record with proven problem-solving skills.

Selection Process:

- Application review: Technical interview & evaluation.
- Deadline: 29th June, 2025

Program Structure

- Start date: 1st July, 2025 End Date: 14th August 2025
- Location: Abu Rawash, Giza, 28 KM Alexandria, Desert Road, 690 industrial Area, Egypt
- Duration: 6 weeks/5 days
- Daily attendance: 9:00 AM – 3:00 PM

Week	Day	Section
Week 1	Day 1	Orientation
	Day 2 to 5	Metals section
Week 2	Full week	Insulation section
Week 3	Full week	CCV section
Week 4	Full week	Electrical maintenance
Week 5	Full week	Mechanical maintenance
Week 6	Day 1	Testing lab
	Day 2	Quality control
	Day 3	Quality assurance
	Day 4	H.S.E.
	Day 5	Closure day

Benefits & Opportunities

Why Join GPI?

- Training at one of the leader cable manufacturing in Egypt.
- Training certificate at GPI.
- Potential full-time roles for top performers.
- **Testimonial:** “My GPI internship gave me hands-on cable production experience that landed me a job at XXX”

How to Apply?

- Submit your CV to: careers@gpi.com.eg
- Application deadline: 29th June, 2025
